L-71, Nivedita Kunj, R.K. Puram, Sector-10,  
New Delhi – 110066

Sir,

Sub: Adoption of Electric Mobility for State Transport intra –city buses.

Ref: 1) E-mail dtd. 10/11/2016 regarding meeting held on the subject.

2) This office letter No.BMTC/CO/CME / 684 /2015-16 Date: 18 /11/2016

3) This office letter No.BMTC/CO/CME / 852 /2015-16 Date: 07 /1/2017

\*\*\*\*\*

With reference to the above, BMTC had furnished the inputs and views on the issues discussed during the meetings convened by DHI, GoI, on adoption of Electric Mobility for State Transport intra –city buses vide this office letters cited above.

Further, in order to take the issue forward a Detailed Project Report on Deployment and Operation of 150 Nos, 12m AC low floor electric buses is prepared and enclosed herein for kind information and necessary action. The DPR is prepared with details of annual hiring cost per bus, hiring cost per bus for the contract period of 10 years and the charging infrastructure.

In light of the above, you are requested to consider the proposal of BMTC for extending funding support for the Deployment and Operation of 150 Nos, 12m AC low floor electric buses.

Thanking You,

Yours faithfully,

(Dr. Ekroop Caur)  
Managing Director
