Reminder:- Against mail dated 14.06.2018 (No grant will be released if agencies are not registered in PFMS and implementing EAT Module.)

Sir,

This is in reference to your projects approved for grant under FAME-India Scheme and DCAAI Scheme. In this connection it is stated that the Office of Controller General of Accounts (CGA), Ministry of Finance has issued instruction for release of further grants only after assuring implementation of EAT (Expenditure Advance and Transfer) Module under PFMS by the grantee institution.

2. The Public Financial Management System (PFMS), earlier known as Central Plan Schemes Monitoring System (CPSMS), is a web-based online software application developed and implemented by the Office of Controller General of Accounts (CGA). PFMS was initially started during 2009 as a Central Sector Scheme of Planning Commission with the objective of tracking funds released under all Plan schemes of Gol (Government of India), and real time reporting of expenditure at all levels of Programme implementation. Subsequently the scope of transparency enlarged by introducing EAT Module in PFMS. Currently every payment of grants from Government of India is being done through PFMS, and from current financial year

Mail is forwarded to CAO-FA, on 25/7/18 with a request to take action

Office of the CME
No. 852
